

## Disaster Response

In the Philippines, APBAid coordinated response to disasters of three Baptist Conventions caused by typhoons and in early 2018.

**The General Baptist Church of the Philippines (GBCP)** in Davao City, southern Philippines responded to survivors of typhoon Tembin by providing 150 families with relief goods and shelter materials with the support from Transform Aid International (TAI)-Australia and Baptist Mission Society (BMS)-UK. The specific project beneficiaries are situated in 3 villages of municipality of Kitaotao, Bukidnon Province in Mindanao, southern Philippines.
